The New Normal

With level 2 of the pandemic and most parents going back to work full time, Teachers, parents & kids just have to be prepared for the new normal.

All the standard coronavirus rules are in place, from temperature checks to social distancing measures and hand sanitizers in all corners of our world operating with kids

- ✚ Face shield is available at school to keep by school for daily sanitization.
- ✚ All meals are now provided at the school. Parents to only provide favourite snacks.
- ✚ Parents who travel should advise admin accordingly for little angel's safety.
- ✚ Blocks are being washed daily after school...no fur toys like teddy bears. Etc
- ✚ The facility gets sanitised every Monday
- ✚ Sanitisation of face shield every hour.
- ✚ Social distancing in progress
- ✚ Knowledge is power, learning more about kids and covid-19 should be our norm.
- ✚ Parents are not allowed inside the school classrooms for safety reasons. [apologies]
